Questions to Ponder

What are things you love?

- What’s at the top of the list?
- What does this look like in your life?

What catches your attention in this story?

- Pay attention to why you are drawn to this.
- What might God be saying through this?

In what ways does Mary’s love for Jesus seem extravagant?

- Anointing His head and feet with expensive oil and wiping his feet with her hair?
- Reflect on the surprise and the response of those attending the meal.
- When have you been extravagant for God? (time, talents, and treasure)

Pastor John said, “What we love most we worship, and what we worship we love most.”

- How have you noticed this in your life?
- What do you love most?
- What would have to happen for it to be Jesus?

Meditate on:

Matthew 6:21 “For where your treasure is, there your heart will be as well.”

Matthew 6:24 "No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You can't serve both God and money."
