

**Afterglow of Easter
"Hope Rekindled!"
Luke 24:13-42**

Right in front of you

The road to Emmaus

Were not our hearts burning within us?

Questions to Ponder

When was a time that you missed something that later became obvious to you?

When was a time that you missed what God was doing?

As you reflect on our scripture today, what emerges as important to you?

- Why are you drawn to this?
- What might God be saying to you?

Do you think, if you had been one of these disciples on the road to Emmaus, it would have been different than their experience?

Jesus' words caused Cleopas and his friend's hearts to burn.
How have you experienced God's word alive and active?
(Hebrews 4:12)

What are some ways you can make space for this to happen?

How can you be more attentive to the "burning in your heart"?

In what ways are you expecting, noticing, and joining God in what He is doing?
